NOW THEREFORE, it is resolved that the rules and regulations for Property Rentals/Tenancies, as adopted by the Membership on June 13, 2015, for addition to the Association's Rental Rules and Regulations, are hereby further amended and ratified as follows:

- M. Designation of an agent. For every Rental Lot within WLE, either the lot owner or landlord, or a designated property agent, shall be readily available locally to manage and control the Rental Lot and tenancy or occupancy thereof by continuously residing and regularly maintaining a primary place of business within a fifty (50) mile radius of WLE. In the owners' or landlords' absence, unavailability or incapability to function, such agent shall be continuously authorized by the Rental Lot owner or landlord to receive notices and demands about the occupancy, use and condition of the Rental Lot and activity thereat, as well as to manage and maintain the Rental Lot, control the tenants, occupants, and guests/visitors of the Rental Lot and their conduct and activities, and to enforce the Rental Lot lease agreement, tenancy or occupancy rules and obligations, and the landlord's rights, and otherwise perform the usual or customary obligations of a landlord or an owner of a residence, and assure compliance with WLE's rental rules and regulations and any governmental property code. The identity, address and telephone number of the person designated as the Rental Lot agent shall be provided, in writing, to WLEPOA by the owner or landlord of the Rental Lot.
- N. Each time disruptive conduct has occurred, the landlord must warn the tenants and occupants in writing, of the possible consequences of eviction from the premises and non-renewal or non-extension of the lease or its term and legal (civil or criminal) action against them. After disruptive conduct has occurred for the third time or on the third occasion, within any consecutive twelve (12) month period (the "third event") by any of the same Rental Lot tenants and occupants, those tenants and occupants must effectively and quickly be removed therefrom. The implementation of such remedy shall proceed as follows: the Rental Lot owner, landlord or agent must begin effective eviction proceedings and diligently pursue eviction or ejection as to the Rental Lot tenants and other occupants unless the remaining lease term or occupancy duration is less than four (4) months from the third event. If the remaining lease term or occupancy duration is less than four (4) months, the Rental Lot owner, landlord or agent shall give assurance to WLEPOA in writing, in the form of a sworn affidavit, that the Rental Lot lease or tenancy will not be renewed or its term of duration will not in any way be extended, and that, at least, the required legal notice (notice to quit) has been given to the tenants for their vacation or leave of the premises. Then, if the tenants and occupants have not effectively vacated and surrendered possession of the Rental Lot by the end of the tenancy or lease term, court eviction proceedings must immediately ensue and be diligently prosecuted for the effective removal of the tenants and occupants. Upon request, the waiver or modification of these requirements and provisions may be granted by WLEPOA, with such additional conditions or other assurance/security as WLEPOA in its sole discretion may impose.

If there is evidence of a WLE property being used for illicit acts or purposes, or any drug related activity or drug related nuisance activity occurring at a WLE property or by a tenant or occupant thereof, even though there is no criminal charge filed or process issued, or arrest, or court processing or disposition whatsoever of any charge, or law enforcement investigation, the lot owner, landlord or agent must immediately terminate the lease, tenancy or rental occupancy and diligently pursue the effective eviction or ejection of all of the Rental lot tenants and occupants, and if necessary by resort to court proceedings toward that end. Upon request, a waiver or modification of these requirements, with such additional conditions or other assurance/security as WLEPOA in its sole discretion may impose, may be granted by WLEPOA, such that only the offending household participants (tenants, occupants or guests) and others with knowledge of or complicity with such activity may be completely removed and kept away from the premises.

For a violation of the above provisions of subpart N for which the tenants or occupants of a rental lot have in any way or by any extent caused or are responsible, the lot owners or landlords, whether as a natural person or some form of organization, of the violation property shall not permit any of such tenants or occupants to rent or occupy another WLE lot in which such lot owners/landlords or their immediate family members --- own or control by any means, interest or degree or whether in common with other persons, or have any equity stake or ownership interest or managerial control in the case of other rental lots titled to organizational lot owners/landlords, or, as organizations, have common equity stakeholders or owners or officers, however titled, with other organizational lot owners of the other rental

property. Any subterfuge, device, means or effort to skirt or evade the common connection or association aspect of this property tenancy, rental or occupancy restriction is prohibited and shall be deemed a separate violation.

Every WLE lot tenancy and lease, and agreement for a lease or lot rental, and lease renewal or rental period extension shall be subject to these rental rules as 'conditions' of the Rental Lot tenancy, lease and occupancy, and each tenant or occupant of the Rental Lot shall be jointly and severally obligated and bound thereto. The Rental Lot owners and Landlord shall be responsible for the tenants' (existing & prospective) notice thereof and acknowledgment thereto. Before every tenancy or lease, each of the Rental Lot tenants and occupants shall agree to comply with these and all other rental rules of WLEPOA as part of their lease or rental obligations, and the landlord shall require that commitment. Upon request, the Rental Lot tenants and occupants shall acknowledge such commitment in writing to WLEPOA.

The Rental Lot owners and landlords shall be financially responsible for all WLEPOA costs and personnel time expense incurred for responding to any disruptive conduct after the first occurrence during any 12-month period, which may be additional to any rule infraction fines and other sanctions imposed. WLEPOA may also undertake and pursue any effort whatsoever, or action or proceeding (law enforcement, court & otherwise) to enforce this regulation and policy, or to redress or abate the disruptive conduct or illicit use of the premises or drug related activity or drug related nuisance activity thereat, or to alleviate or rectify the offending Rental Lot conditions, or to exercise WLEPOA's rights against the offending Rental Lot and its owners/landlords, for which all of WLEPOA's personnel time expense incurred and other costs whatsoever (including its court, litigation & attorney's fees/expenses) shall be reimbursed by the Rental Lot owner/landlord. Such recourse by WLEPOA and reimbursement to it shall not relieve the Rental Lot owner or landlord of WLEPOA's disciplinary process, including the issuance of citations or the imposition of monetary fines for rule infractions, denial of community and WLEPOA privileges, and other sanctions, which may be additional and cumulative.

A copy of all current and updated documents forming or evidencing the written lease agreement for the Rental Lot, including for any sublease or assignment, shall be filed with the Association, which shall be the responsibility of the Rental Lot owner and landlord.

- O. For any Rental Lot, the lease, tenancy or rental occupancy shall be subject to the owners' and landlords' privilege of their periodic inspection of the entire premises, for which the rental agreement or lease or tenancy evinces, in writing, the tenant's or occupant's consent thereto. The Rental Lot owner, landlord, or agent shall make periodic inspections of the rental property (exterior and interior), during each tenancy or rental occupancy, as well as at the end thereof, and twice during a one-year lease term, and at four-month intervals during each rental period or lease term exceeding one year, to be assured that the Rental Lot is kept and being maintained to the standards required of WLE's lot covenants (Schedule A instruments), and WLEPOA's Bylaws and Rules & Regulations, and applicable governmental property maintenance codes. An exemption or modification of the periodic inspection requirements may be granted by WLEPOA in its discretion for Rental Lots with a satisfactory history of minimal disruptive conduct and the property's condition. The owner, landlord, or agent must keep the property in a reasonably good, clean, aesthetic condition, and maintained, and make any necessary repairs. Upon request, the owner must supply, in writing to WLEPOA, the dates of inspections.

When specific criteria or standards do not define or qualify disruptive conduct as to any general references --- loudness of noise, and unsafe, harmful or offensive to or affecting others, or disturbing to persons --- then such criteria and standards as are established for public laws may be utilized for guidance or such general references shall be qualified by the reasonableness standard for persons of ordinary sensibilities as applicable for the given context or situation.

Property Occupancy Policy
For
Wallenpaupack Lake Estates
Approved on November 22, 2003 Special Meeting

WHEREAS, the lot covenants for the WLE community provide that lot owners, their successors and assigns are required to comply with the Associations Bylaws, rules and regulations; and

WHEREAS, property owners, and their families and guests are generally more predisposed to care for the properties and the community, and to respect their neighbors and the community interest, and to comply with the rules of the community, when they occupy such properties rather than others, and property owners are better able to control their non-tenant occupants; and

WHEREAS, it is in the community's interest, including for reasons of security and safety, for the Association to know the occupancy status of the houses thereat and for the Association and its lot owners to be aware of the occupants thereof in advance of occupancy, and for the owner to require financial security for the houses occupied by persons other than their owners and their families/guests;

PROPERTY OCCUPANCY

REGISTRATION, SCREENING & FINANCIAL SECURITY POLICY.

Registration

The owners of each residential property of W.L.E. shall register, with the Association, all existing and prospective occupants of the property and shall identify their relationship to the property owners, and furnish such other information to the Association as required by the Board. For each property, each time that a new occupancy or tenancy occurs, or any renewal of the then existing occupancy/tenancy occurs, under a lease or other agreement with the owner and otherwise, or any of the prospective occupants or the occupancy of the house will change, then re-registration shall be immediately required.

Screening

If any of the properties will be occupied by persons other than their owners, their immediate family members, or intermittent, short-term guests, (whether as Tenant Members and otherwise), then such persons, as prospective occupants of the properties, shall be subject to pre-screening and occupancy approval by the Association and the property owner for decision and action by the property owner. If the property owner is a non-natural person, such as a corporation or similar type entity, or other organization, then the chief executive officer or other natural person of equivalent rank/title shall be deemed the property owner for determining property occupancy for purposes of application of this policy.

The property owners will have the prospective occupants of their properties furnish certain information (which may include the following) about such occupants to the owner, who will furnish a copy to the Association.

- Their current and former occupation & employer, and the duration of such occupation/employment;
- Their former residence (including location) within the last two (2) years, the period of residency thereat, and the names, addresses, and phone numbers of the property owners (including landlords or their managing agents) for such residents;
- Proof of vehicle insurance for vehicles owned or operated by them;
- References of three (3) other persons (familiarily unrelated to them) whom are familiar with their history, character, reputation, and other attributes, including the names, addresses, and phone numbers of such references and a description of such persons' relationship to them.

- Proof of renter's liability insurance or similar liability insurance coverage for the non-owner occupants/renters of the house.

As part of this pre-screening process, the Association may inquire into the foregoing information about the prospective occupants, including by contacting former landlords and neighbors of their former residences and others for information, and the Association may interview the prospective occupants. This process may be completely or partially conducted by contracting agents of the Association. The property owners shall deliver a completed authorization form signed by the prospective occupants consenting to the Association's inquiries of others and the release of information from such others about the prospective occupants, including release of their credit history and the foregoing information.

If the Association rejects the approval of the prospective occupant, the property owner will be notified in writing and if the owner still allows his property to be occupied by or rented to such rejected occupant, it is done at the owners' sole discretion and they shall bear the risk of all fines, sanctions, WLE property damage caused by such occupants, etc.

The property owners shall be subject to Association disciplinary action and any resulting fines and other sanctions (including denial of community & Association privileges) for any violations of this policy or non-compliance with the Association's rules and regulations, including, for allowance of property occupancy and the occupants' access/use of the common areas & recreational facilities before Association occupancy approval.

Any information requirements may be waived or modified by the Association. Any waiver or modification decision of the committee may be appealed, in writing, to the Board within fifteen (15) days from notice thereof.

All information and reports about the prospective occupants, and the proceedings and decisions of the Board for the Association will be private and confidential amongst the Association (its officials, management staff & other agents), the owners of the subject property, and the prospective occupants thereof; other Association members shall have no access to such information.

Security

For each property subject to occupancy screening by this policy, the property owner shall have funds deposited with the Association for the duration of the house occupancy in an amount of \$1,200.00. The effective date for this deposit requirement will be April 1, 2004 or the date of the occupancy change or a new occupancy under a lease renewal and otherwise, whichever comes later. The Association shall hold the refundable deposits in a non-interest bearing bank account.

This security deposit shall be liquidated for fines imposed or assessed against the offending lot and its property owners for rule violations by the property owners or occupants, and for damages to any of the common areas/facilities of WLE and Association property attributed to them. If the deposit balance is, by liquidation, reduced to less than 80% of the full amount, at any time during the approved house occupancy, the deposit shall be replenished to the full-required amount within ten (10) days from notice thereof. The Association may increase the deposit after three (3) infractions of this policy or the Association's bylaws or rules/regulations by the property owner or occupants of the property.

Miscellaneous

Any required notice shall be effective upon mailing to the addresses furnished to the Association.

The Board of Directors for the Association shall establish rules and procedures and forms and other requirements for and as part of this policy, and any fees for implementing the policy and its procedures, and shall have the discretion to construe, apply, and otherwise implement and effectuate this policy.

For purposes of the policy, wherever the Association is hereby authorized or empowered or required to act, do something, make decisions or receive anything, or the "Association" is referenced herein (unless the context is explicitly otherwise), it shall mean and refer to its Board of Directors and its committees or designees and not the membership.
